**Aanwezig:** Sylvain Thibault, Nick Baelus, Samuel Dequenne, Stephane Ahn, Matthias Verstraelen, Johan Druwé, Reinout Van Schuylenbergh (report)

# e-mail meeting March '19

## Selection criteria Europeans Weert

---

### Question

One of the selection criteria is based on performances in ETU and ETU Junior cup in Quarteira. (see national selection criteria). The entries for the Quarteira race are unexpectedly low. There was a proposal to redefine the benchmark for selection for EC Weert (juniors and elite).

### Decision

The majority of the meeting agreed to stick to the current selection criteria. It's likely that more athletes will participate in Quarteira. Moreover, with changing the selection criteria we would punish the athletes that took the commitment to invest in their participation in the Quarteira race.

## Selection criteria Super League

---

### Question

Last year 3VL got an invitation to participate in the Super League race of Jersey with a youth and junior selection. This was a very interesting learning experience for the athletes and was positively evaluated by them. March 15<sup>th</sup> we received an invitation letter by Super League for sending a youth and junior selection to 2019 Jersey race and communicate our selection policy.

Deadline for applications is July 31<sup>st</sup>. Deadline for withdrawals and replacement requests August 21<sup>st</sup>

### Decision

The meeting agreed with the proposal to define the selections based on the results of the individual time trial performance during the mixed-team test event (May 5<sup>th</sup>, Willebroek). Athletes need to enter for this event using this link: <https://www.eventbrite.co.uk/e/belgian-triathlon-mixed-team-relay-test-event-tickets-55153814544>

According to SuperLeague triathlon following age group categories will be applied:

Youth: YOB: 2002, 2003, 2004

Junior: YOB: 2000, 2001

Team Belgium will have a maximum of 3 spots in both age groups and both genders.

Spot #1: Winner in age group as described by SuperLeague of mixed-team test event May 5<sup>th</sup>.

Spot #2: Second fastest athlete in age group as described by SuperLeague of mixed-team test event May 5<sup>th</sup>.

Spot #3 & replacements/withdrawals: For the third spot the national selection commission will make a selection based on the results of the mixed-team test event, in European championships or T3 series. Deadline for this spot is July 15<sup>th</sup>.

In case an athlete cannot participate in the SuperLeague race or seems to be out-of-shape, the national selection commission has the right to carry out replacements or withdrawals. Deadline is August 21<sup>st</sup>.

Athletes outside the 3% rule (maximally 3% slower than the winner of the race in age group as described by SuperLeague) are not eligible for selection.
